## TYROL – IN OUR HOTEL

The Entners am See presents itself in a new look - a Tyrolean look. Tyrolean craftsmen were primarily responsible for the redesign of our hotel. Wherever and whenever possible, we have used local materials, mainly from sustainable and environmentally friendly production.

A claim that is reflected in our guest facilities.

Here, too, we always endeavour to source ingredients from small local producers who treat their environment and animals with respect. So that with your stay at the Entners am See you also help to support the local economy and preserve the unique nature of our fragile mountain world.

# MY HIGHLIGHTS AT THE LAKE

Visit our LIVING SPA with a steam bath, three saunas, various relaxation rooms, a fireplace and a tea bar. Immerse yourself in the indoor pool in the family area or relax in the whirlpool. In our adults-only area on the 1st floor, you can enjoy the Entners Body Cult, relaxing treatment and massage rooms and our Roof Terrace with its spectacular view of the lake and the surrounding mountains.

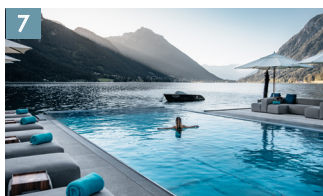

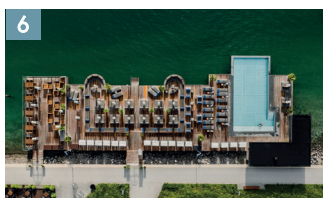

From now on we present our breakfast in our ENTNERS „KUCHL“. Tyrolean, Austrian and international specialities as well as bread and pastries from our oven are available for you to choose from, hot dishes come from the open kitchen. In the evening you will find changing highlights such as antipasti, raw, salad or dessert bar.

Our REDESIGNED ENTNERS BAR with adjoining LOUNGE including lake view is at your service the whole day. For a cappuccino in the morning, a glass of white wine or beer at lunchtime, tea or an aperitif in the afternoon and a cocktail in the evening. On cooler evenings, from now on also with a crackling log fire. And in fine weather on the newly enlarged terrace with the usual breathtaking view of Lake Achensee and the Tyrolean mountain landscape. Open until midnight (or longer if you like 😊).
